Shrimp Brochure

Payment term

50% in advance, 50% against shipment documents

Delivery term

DAF (country of destination frontier) or CFR (country of destination port)

Minimum order: 40 ft. container, containing 22400 kg

Harvest time

Although there are Two breeding periods in some regions of Iran, it can be said that the major shrimp is harvested in August and September.

*Obviously any purchase agreement with the farmers must have been signed at least 3 months before the harvest.

Why to buy Iranian Origin Shrimp?

- 1- Iranian Farmed Shrimps are antibiotics free, fungicides free and generally free of any non-standard and harmful substances for humans.
- 2- lower transportation cost for west Asia, Europe and Russia
- 3- competitive price

Shrimp Brochure

Documents to be provided

- 1- Health certification (to be issued by Iranian veterinary org.)
- 2- B/L
- 3- Commercial invoice
- 4- Certification of origin
- 5- Packing list

Price

Please note that the price of the shrimp is determined by its size range and usually orders are as a basket including different sizes.

(e.g. 10%: 50-60, 70%: 60-70, 20%: 100-120)

Please do not hesitate to contact us for further information.

Sincerely yours,
